

# Your Practice. Our Partnership.

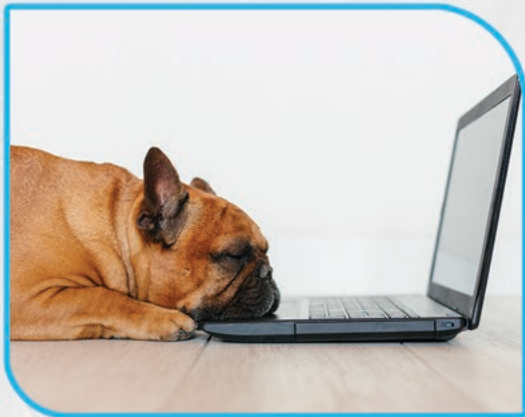

Own your **MOVES Franchise**.  
Gain autonomy, plus the benefits  
of MOVES' support and track  
record of success.

This advertisement is not an offering. An offering can only be made by a disclosure document filed first with the Department of Law of the State of New York and/or respective filing states. Such filing does not constitute approval by the Department of Law or other state agencies.

## Practice ownership has a lot of challenges...

-  Entity Formation
-  Compliance & Insurance
-  Marketing Strategy
-  Pricing Intelligence
-  Staffing & Support
-  Scheduling
-  Invoicing & Payments

**...but MOVES franchisees have the competitive advantage!**

Open the inside panels to review just a few of the ways MOVES supports its franchisees!

Strong brand identity with nationwide recognition among referring vets.

Established relationships with over 50 corporate hospital groups.

Proven track record of launching successful mobile specialists.

Support and encouragement from dozens of mobile specialist peers.

Proprietary software for optimized scheduling, clinic communication and invoicing.

Lease your veterinary technician from MOVES to avoid having to manage any employees.

Fully-managed invoicing, payment processing, collections, and distributions.

Benefit from our purchasing power with preferred vendors or choose your own suppliers.
